

Why are you so jumpy?

I'm excited! I was born on February the 29th and it's a leap year!

Fix and put on your headphones; listen to the song by the Seekers, about Australia's history, watch the pictures and find the missing words.

Bruce Woodley

Chorus:

We are one but we are many  
 And from all the lands on earth we come,  
 we share a dream,  
 And sing with one voice,  
 I am, you are, we are Australian.

I came from the dream time, from the dusty red soil plains,  
 I am the ancient heart - the keeper of the flame,  
 I stood upon the rocky shore, I watched the tall ships come,  
 For forty thousand years I'd been the first Australian.

Chorus

I came upon the prison ship bound down by iron chains  
 I cleared the land, endured the lash and waited for the rains.  
 I'm a settler, I'm a farmer's wife on a dry and barren run  
 A convict then a free man, I became Australian.  
 I'm the daughter of a digger who sought the mother lode  
 The girl became a woman on the long and dusty road  
 I'm a child of the depression, I saw the good times come  
 I'm a bushy, I'm a battler, I am Australian.

Chorus

I'm a teller of stories, I'm a singer of songs

I am Albert Namatjira,  
and I paint the ghostly gums

I am Clancy on his horse,

I'm Ned Kelly on the run

I'm the one who waltzed Matilda, I am Australian.

I'm the hot wind from the desert, I'm the black soil of the plains  
I'm the mountains and the valleys, I'm the drought and flooding rains  
I am the rock, I am the sky, the rivers when they run  
The spirit of this great land, I am Australian.

We are one but we are many  
And from all the lands on earth we come,  
we share a dream,  
And sing with one voice,  
I am, you are, we are Australian.
