

LA CLASSE DE 3°3 du Collège de l'ETANG ST PAUL  
Académie de LA REUNION  
est heureuse de vous présenter ses créations,  
variations autour de la chanson  
'If you were a sailboat', by Katie Melua.

If I was a television, you'd watch me all night long.  
If you were a DVD, I'll watch you every night,  
If you were a song, I'd listen to/sing/play you  
All day long,

If you were a museum, I would visit you every day,  
If you were a gallery, I would be a painting,  
If you were a bed, I'd sleep on you every night.

If you were the Indian Ocean, I would be Reunion Island  
If you were the Indian Ocean, I would sail on you  
If you were the sand, I would be the shells  
If I was the sea, you would be the beach,  
If you were the fisherman, I'd be the fish,

If you were the blue sky, I would be the Sun  
and light your day /your life /your heart...

If I was a mango/ a lychee, you would taste me,  
If I was a tropical flower, you would smell me,  
If you were a palm tree, I'd sleep in your shade,

If I was blind, you would be my eyes  
all my life,  
If you were in hell, I'd lead you to heaven  
If I was a wild rose, you'd be the bee...

....
